EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Dave Peterson on May 10, 2005.

The application has been amended as follows:

In line 5 of claim 1, after "surfactant" insert –wherein said surfactant comprises at least one quaternary ammonium compound;—

In line 6 of claim 1, delete "chelating agent/buffer" and insert –chelating agent—therefor

In line 5 of claim 9, after "surfactant" insert –wherein said surfactant comprises at least one quaternary ammonium compound;—

In line 6 of claim 9, delete "chelating agent/buffer" and insert –chelating agent—therefor

Cancel claim 6

2. The following is an examiner's statement of reasons for allowance: Applicants have claimed an improved liquid aqueous hard surface cleaner comprising:
(a) a water-dispersible fluoropolymer having a molecular weight of at least

5000 Daltons;

(b) a surfactant, wherein said surfactant comprises at least one quaternary ammonium compound; and

(c) a chelating agent;

with the balance water, wherein the hard surface cleaner is in a liquid form and a hard surface cleaned therewith is rendered repellant to staining by heavy metals.

The closest prior art of Burke et al, US 5,932,328 teaches a cleaning and polishing composition comprising fluoropolymer, nonionic surfactants, triethanolamine, and water (col. 7, example 111). The prior art does not teach a fluoropolymer in combination with a quaternary ammonium surfactant and a chelating agent and so the present claims are allowable.

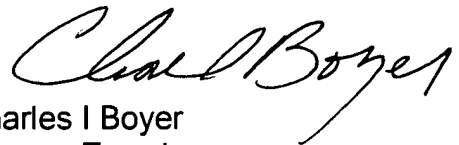

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Charles I. Boyer whose telephone number is 571 272 1311. The examiner can normally be reached on M-F 9:30 to 6:00.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Yogendra Gupta can be reached on 571 272 1316. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
